\* Staff will arrive 10 - 15 minutes before the party begins to set up. You may come early to help with the set-up, but please let your children know that they will not be permitted to skate during this time.

\* Liability waivers **MUST** be signed by the parent or guardian of each participant under the age of 18. *You may not sign for another person's child.* Any person without a permission slip will not be allowed to use the park. We strongly recommend getting the waivers ahead of time to mail out with your invitations. On the day of the party, we suggest that one parent help with the set-up so the other parent can take care of the waivers with our staff.

\* Parents of all participants are welcome into the skate park and may watch their children skate from our observation deck.
